

H.E. Adam Kulach, Head of Delegation of the EU to Bahrain, Kuwait, Oman, Qatar, Saudi Arabia and the United Arab Emirates, KSA

HE Adam Kulach welcomed the participants and talked about the cooperation between the EC and the world with focus on R&E support and development. He also presented the programs supported by the EC and how can these programs be utilized. Supporting the e-Infrastructures and e-Science is a component of major importance to the EC as it is a key to develop the research and hence to develop the communities around the world.
