Our Heritage

Isambard Kingdom Brunel
1806 - 1859

- **Innovation & creativity**
- **Problem solving**
- **Work placements**
- **Research partnerships**
- **Research excellence**

Our Research Excellence

Brunel awarded

£12,827,244

HEFCE research funding
for 14/15

Increase of over 54.5%
£4.5 million

Our research investment
concentrates on growth,
and sustainability

9th in the UK in terms of increase in
staff submitted

21% of staff classed as Early Career
Researchers: Leading the sector

82% of staff conducting research of
international standing

Our Research Community

8 Academic Schools

7 Specialist Research Institutes

4 Collaborative Research Networks

50 University Research Centres

Energy and environmental sustainability

Aging

Security, human rights & the media

Complexity

Who am I?

Research Areas of Interest:

- > **Multimedia/Mulsemmedia**
- > **Pervasive and Mobile Comms**
- > **Cross-layer solutions – human-centric e-systems**
- > **Ontology, Security...**

Techie...

With a multi- and inter-disciplinary focus

Collaborations

- **Publications**

- > over 250 and counting
- > co-authors from....
 - > Austria, Brazil, Bulgaria, China, Egypt, Ethiopia, France, Germany, Ghana, Greece, Holland, Iran, Ireland, Japan, Jordan, Nigeria, Norway, Pakistan, Saudi Arabia, Singapore, South Africa, Spain, Syria, Kuwait, Switzerland, Taiwan, Turkey, UK, USA
 - > Not a single author publication!!!

- **PhDs**

- > 22 and counting....

Collaborations (II)

- **Research Projects**

- > **EC funded**
 - > **BASE2 (FP6), VERITAS (FP7), NEWTON (H2020)**
 - > **OSSCOM (TEMPUS)**
- > **Joint UK/Turkey**
 - > **NEWTON programme**
- > **CAPES (Brazil)**
- > **UK**
 - > **EPSRC, Royal Academy, ESRC, MoD**

- **Consultancies**

- > **Private and Public sector across 3 continents**

My golden rules for collaboration

11 December 2016

- **Communication**
 - **Keep eyes, ears and inbox open!**
- **Enthusiasm**
- **Great potential**
 - > **Research**
 - > **Funding**
 - > **Mutually Beneficial**

Thank You
